TEC 51.907 UG Course drop counter: Exempt from TEC 51.907

During the spring 2020 and the summer 2020 semesters, ACC has temporarily added two grades to the College's grading system. A P grade (Pass) is equivalent to a grade of C. A P grade will reflect credit hours attempted and credit hours earned, however it is not used in calculating the grade point average. An NP grade (No Pass) does not carry any earned grade points and is not used in calculating the grade point average.
