EXPERIENCE

April 2019 2.5 hours

VOLUNTEER, GET READY FOR KINDERGARTEN PROGRAM

During this program we would watch children of parents who were getting them ready for kindergarten, we had to watch and interact with them and play with them.

January 7th- June 8th 2019

Student/ teacher, early childhood education

In this class we were learning about the development of children while working in the preschool at my high school, we would create a lesson plan for whatever they were learning that day

2019

Volunteer, watched teachers kids as the teachers were getting trained

Watched and interacted with teachers kids
