To Evergreen Graduate Admissions Program:

It is my honor to recommend Victoria Osborne for the Masters in Teaching program at Evergreen State College. I have had the pleasure to know and work with Victoria during their time with us at the Hands On Children's Museum in Olympia.

Victoria was hired on as a front desk receptionist, a position she quickly excelled at, but was also cross trained for camp teaching and assisting. Their experience with children and their love of teaching and learning with them was very evident in Victoria's actions. They cared deeply about their students learning journey and did a great job at creating and facilitating lesson plans.

My own son attended one of the camps Victoria taught and he had a wonderful time and appreciated the structure and thought that went into the activities. He was always excited to see them!

At the front desk, Victoria also excelled. Their outgoing energy and enthusiasm was welcomed by our visitors and their impeccable attention to the details made them a candidate for a lead at the front desk.

Victoria was a valued member of our HOCM team, whom we could rely on across the board. Their combination of intelligence, compassion, creativity, and commitment would make them a valuable member of any academic program. I encourage you to look favorably upon their application.

Sincerely,

Shenna Hayden
