50 hours of volunteer or paid work with youth of K-12 age in a public school *and* a community-based organization setting over the last 5 years. Ideally, candidates would meet this requirement with approximately 40 hours of work in a public-school setting and 10 hours of work in a community-based organization (CBO), though the hours can be split between the two categories in any way that add up to a minimum of 50 hours.

Please have this form signed by the volunteer coordinator or supervisor at the school or community organization and upload it with your Master in Teaching Program application.
