To Whom It May Concern:

It is my pleasure to recommend Samantha Cox as an exceptional candidate for the Masters in Teaching program at The Evergreen State College. Samantha was a student in my (taught with Nancy Murray) program, Counting on the Brain and in my Precalculus II course at The Evergreen State College. Samantha consistently demonstrated a high level of commitment and professionalism in their work as a student. Samantha was intelligent and knowledgeable and easily communicated that knowledge to others. Samantha worked very well with a diverse group of students. Samantha consistently demonstrated the ability to learn new concepts and apply them to a variety of new situations and problems.

Samantha was a delightful and fully engaged student. Samantha was conscientious, responsible, and very easy to get along with. Samantha took responsibility for their work, asked for help when needed, and contributed to the class and group work in insightful and positive ways. Samantha is an excellent student, in every sense of the word. Samantha is a credit to Evergreen and will be a credit to the MiT program.

Please feel free to contact me if you have any further questions.

Sincerely,

Vauhn E. Foster-Grahler
