## Education

Associates in Applied Science in Architecture, Engineering and Construction technology

South Puget Sound Community College.....June 2020

Bachelor of Arts-Focus in writing and social studies

The Evergreen State College.....Summer 2022

## Student Employee Experience

-Writing Center, The Evergreen State College: Olympia, Washington.....September 2020 – Present

- **Peer Tutor:** Support writers of diverse abilities and backgrounds by using writing center pedagogy to cultivate awareness and self-confidence at all stages of the writing process.
- **Summer Intern:** Developed an hourlong powerpoint presentation on brainstorming, reading and note-taking in collaboration with writing center administrators and other tutors.

*The Sounds*-SPSCC's student run newspaper: Olympia, Washington.....September 2019 - June 2020

- **Staff Reporter:** Worked independently to produce articles for bi-weekly publication. Collaborated with teammates to copy edit and distribute publication.

## Professional Experience

Calliope Farm: Olympia, Washington.....September 2015 - October 2018

- **Production Manager:** Independently managed satellite property of farm; followed production schedule to grow a diverse population of organic vegetables; supervised a crew to harvest, clean and delivery of produce on a weekly schedule; conducted primary and secondary tillage for the site; monitored all crops for disease and harvest maturity; worked closely with Farm Manager and Packshed Manager to compile production estimates and forecasting to inform sales.
- **School Outreach:** Each spring while I was in this position I returned to my high school to speak to classes about organic farming.
