To whom it may concern:

I'm writing this email to verify that Vanessa Cox volunteered in the 22-23 school year in my 4th grade classroom at Lydia Hawk Elementary during the hours listed in the attached time log.

Thank you,

Hello Mrs. Byington,

I hope this email finds you well. I was wondering if you had the time to just send an email to graduateadmissions@evergreen.edu because they are requiring my hours to be verified by you for my Masters in Teaching application. I have attached as well the hours I did with you last school year. I'm assuming a simple confirmation email to the email provided would be just fine. I appreciate your time.

I was also wondering if you had space for me to come back and volunteer with you again? I have been heavily immunocompromised the past few months after a recent diagnosis but am able to go back to normal activities now.

Thank you again for your time,
Vanessa Cox
