Samuel T. Enriquez
Plan for Completion of Hours Log
For Application to the MiT Program at TESC

I have submitted a partially completed Hours Log for my application to the Master in Teaching program at The Evergreen State College. My required CBO hours are completed and signed. I still need to finish my public school classroom hours. I intend to complete these hours during the coming fall quarter. For my job at Art For Kids School, I will teach after-school art in four different Thurston County schools each week. I'll initiate the volunteer process after a few weeks of getting to know some of the teachers and schools for the best fit possible. Most of the 2023-2024 school year, I will only be working part time during after-school hours, so I will have more than enough time and availability before August to complete the hours.

If for some reason I am having difficulty finding a classroom volunteer opportunity in a more organic way, I will definitely reach out to Maria Atristain for assistance.
