It is my great pleasure to offer a letter of recommendation for Samuel Enriquez.

I have worked with Sam closely during his studies at CWU and was delighted to have him as a graduate student and a member of art community.

Sam is a very thoughtful, respectful and open human being. He has excellent communication skills and can clearly articulate his ideas and questions. He was always prepared for our meetings/discussions, taking notes and following through with any recommendations.

Sam's work ethic is exemplary. He is fully dedicated to his studies and always sets up high standards of performance in anything he pursues. He is also an avid reader, which enhances his knowledge of the world, critical thinking and ability for independent research.

His performance as a TA was excellent as well. Students loved his teaching style and consistently produced high quality work.

I believe that Sam will be a great asset to your program. I offer my highest recommendation and hope that his desire to earn Master's Degree in Teaching will be fulfilled.

Please do not hesitate to contact me if you need any additional information.

Sincerely,

A handwritten signature in black ink, appearing to be 'M. Chachava', with a stylized, flowing script.
