To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Gloria Gutierrez for her admission to Evergreen for the Master in Teaching Program. I have had the privilege of working with Gloria for the past four school years, with her as an AVID tutor and this past year as a substitute teacher. She truly is a motivated person that inspires those around her.

Gloria truly loves working with students and helping to show how much of a team player she is. Inside the classroom, she works with the tougher groups of students and can push them to greatness. The amount of growth that Gloria has shown from her first year with me to now is absolutely amazing. She has grown from a sometimes leader, sometimes I can do this, to a nearly all the time, I can show you how awesome I am each and every day kind of leader. Another of her greatest attributes is always being at school, as that is something that makes her easy to be counted on in every situation that comes up.

Ms. Gutierrez empathy with students that are going through struggles and being invisible is remarkable for someone that has not gone through teacher training yet. She understands how important it is to notice these students and how to approach each situation separately and how to start over each and every day.

In short, I enthusiastically recommend Gloria Gutierrez for admission into Evergreen College for Master in Teaching. She is a great leader of students that will thrive in any environment. She advocates for every student in every way. If I were to start up a team, she would be among the first people I would choose.

Sincerely,

Paul V. Gerbyshak
