Hello – I'm writing to confirm that I, Sara Zettervall, oversaw Emma Guttchen when she worked the Hennepin County Library in Minneapolis, Minnesota. Emma organized an after-school tutoring program for youth K-12 at the library from 2018 to 2021. This email is to confirm she worked 25 hours for the program from September 17th to October 8th, 2019. Please let me know if you need anything else from me. -Sara
