Summary of Results

Congratulations on taking the SAT Reasoning Test!

You're showing colleges that you are serious about getting an education. The SAT is one indicator of how ready you are to handle college-level work. The test measures what you learned in high school and how well you can apply that knowledge. Both skills are essential to doing well in high school and in college.

CRITICAL READING: 660

RANGE

When you take tests more than once, your scores may vary. This expected variation is considered your [score range](#).

National Percentile: 91%

CRITICAL READING
