GRADING SYSTEM for UNDERGRADUATE and GRADUATE COURSES
Effective Fall 1978, plus/minus grades were introduced. For graduate courses, grades of D (+/-) are not permitted.
Grades included in calculation of quality point average (GPA):

Grade	Evaluation Undergraduate	Quality Points	Evaluation Graduate
A	Excellent	4.0	Excellent
A-		3.7	
B+		3.3	
B	Good	3.0	Good
B-		2.7	
C+		2.3	
C	Average	2.0	Passing
C-		1.7	Lowest Passing Grade
D+		1.3	Failure
D	Poor	1.0	
D-		.7	
F	Failure	0.0	

Prior to Fall 2007, only grades of "D" and "F" grades may be repeated. When the same course is repeated, the higher grade will be calculated in the GPA.

Effective Fall 2007, only grades of "C-" or lower may be repeated. When the same course is repeated, the most recent grade will be calculated in the GPA.

Effective Fall 2008, grades for graduate courses are included in calculation of quality point average (GPA):

Effective Fall 2016, only grades of "B-" or lower may be repeated. When the same course is repeated, the most recent grade will be calculated in the GPA.

Effective Fall 2019, Academic Fresh Start Policy. Only courses taken after Fresh Start readmission will count toward the GPA. Previous courses in which a grade of C- (1.7) or better was earned will count as transfer credit toward graduation requirements but will not factor into the student's GPA. Under the Fresh Start policy, students must complete at least eight (8) FSU courses, five (5) in the major, with an overall GPA of 2.00 in order to receive an undergraduate degree from FSU. The Fresh Start policy may be exercised only once. Once a student exercises the Fresh Start, it may not be rescinded. The student's academic transcript will note the readmission status as Academic Fresh Start along with the semester the status commenced.

Grades not included in the calculation of GPA:
AU – Audit	(WP – Withdrawn Passing) No longer used
NG – Non-Graded	(WF – Withdrawn Failing) No longer used
W – Withdrawn from Course	WX – Withdrawn from University

P/F (Pass/Fail): Each student may take two undergraduate credit-bearing courses within the total thirty-two on the pass/fail basis. Only open to Juniors and Seniors (See University catalog for further conditions). A grade of Pass is a grade of D- or higher. A Fail grade is calculated in the GPA as an "F" grade.

Effective for the Spring 2020 Semester, due to the Covid-19 Pandemic, all undergraduate coursework may be selected by the student to be recorded as Pass/Fail. A grade of Pass is a grade of D- or higher.

S/U or SA/UN (Satisfactory/Unsatisfactory): These grades are used for the Student Teaching Practicum (Education Department). S or SA is considered Credits at Pass, U or UN is considered a failed grade and is included in the grade point average.

STATEMENT OF GRADUATION
Degrees are conferred and posted to the academic record four times each year (effective Academic Year 1999) following the summer, fall, winter, and spring semesters/terms. The graduation requirement for undergraduates is a minimum of thirty-two course-credits. The minimum number of course-credits required for a Master's degree varies by program. A graduation date is posted to the record upon completion of all degree requirements.

COURSE-CREDIT
With the introduction of the Course-Credit system in 1971-72, each Course-Credit is equivalent to four (4) semester hours (sixty (60) contact hours) for internal and external transfer use. There is no differentiation made in Course-Credit value between courses that require laboratory or studio work and those that do not. Only courses and Course-Credit equivalents accepted for transfer by the University are indicated on the academic transcript.
Professional Development Graduate coursework (not applicable to FSU graduate programs requirements), 70000-level, will appear as 1.00, .75, .50, or .25 Course-Credits. This relates to four (4), three (3), two (2), and one (1) semester hour(s).

TRANSFER COURSES
Undergraduate Coursework:
Transfer credit is awarded for only those courses in which the student received a grade of C- (1.70 on a 4.0 scale) or better. Grades from the transfer courses will not be computed in the GPA

Graduate Coursework:
Transfer credit is awarded for only those courses in which the student received a grade of B- (2.70 on a 4.0 scale) or better and is limited to two (2) graduate courses. Grades from the transfer courses will not be computed in the GPA
