To Whom It May Concern,

It is without hesitation that I write this letter of recommendation for Steven Marquardt. Steven worked as a paraprofessional substitute in my Life Skills Special Education classroom during the 2022-2023 school year. My classroom consisted of nine students with moderate to severe disabilities and two paraprofessionals.

During Steven's time working in my classroom, he worked with students with moderate disabilities in one-on-one and small group settings on various learning concepts. He scaffolded the learning to better assist each student in meeting their learning goals and took accurate data to reflect their progress. Throughout his time in my classroom, he assisted in fostering a positive learning environment by taking the time to build positive connections and relationships with the students. He was flexible and willing to assist anywhere that he was needed.

Steven possesses a positive attitude and excellent work ethic. He is driven to create a learning environment where everyone feels accepted. He establishes a great rapport with staff and students alike.

I am confident that Steven will be a great candidate and student in the Masters in Teaching program at Evergreen State College. Please feel free to contact me for more information at (630)809-8111 or by email at aimee.lanteigne@tumwater.k12.wa.us.

Sincerely,

Aimee Lanteigne
