EASTERN WASHINGTON UNIVERSITY

EXPLANATORY LEGEND

Eastern Washington University was initially named Benjamin P. Cheney Academy, and formed on April 3, 1882. By 1890, the major purpose of the Academy shifted to higher education and the name changed to the State Normal School at Cheney. By 1937, the Normal School offered baccalaureate degrees and its name changed to Eastern Washington College of Education. Within 11 years, Bachelors of Arts and Science degrees and Masters of Education were offered. After 1961, the institution was renamed Eastern Washington State College, baccalaureate and masters degrees were awarded, and the College was restructured into its present system of Schools and Colleges. Eastern Washington University was adopted in 1977 when the institution was designated as a regional university. In 2002, the Doctor of Physical Therapy program was approved.

ACCREDITATION

The University is accredited by the Northwest Commission on Colleges and Universities (NWCCU). The specialized accrediting agencies that accredit Eastern Washington University degree programs include the following: the Accreditation Board for Engineering and Technology; Accreditation Council for Occupational Therapy Association; Association for University Programs in Health Administration; Association to Advance Collegiate Schools of Business; Commission on Accreditation in Physical Therapy Education; Commission on Accreditation of Athletic Training Education; Commission on Dental Accreditation of the American Dental Association; Council for Accreditation of Counseling and Related Educational Programs; Council on Academic Accreditation of the American Speech-Language-Hearing Association; Council on Accreditation of Parks, Recreation, Tourism, and Related Programs; Council on Social Work Education; National Association of Long Term Care Administrator Boards; National Association of School Psychologists; National Association of Schools of Music; Network of Schools of Public Policy, Affairs, and Administration; and the Planning Accreditation Board.

GRADES/WORK IN PROGRESS

Assigned grades appear after the course listing for completed work. If there is no grade for a course, this indicates that the instructor has not submitted a grade or that there is work in progress at the time the transcript is issued. (Credits will be issued upon completion of the term.)

ACADEMIC FORGIVENESS

Undergraduate students may make a one-time petition to have up to two consecutive quarters or one semester of credit entirely removed from the calculation of their credits and GPA. The course work must have been completed at least five years prior to the petition.

Forgiven courses cannot be used to satisfy any academic requirement.

GRADE POINT AVERAGE

To compute the cumulative GPA: Divide the total number of quality points (QTPS) by the total number of GPA hours (GPA-HRS) for the cumulative GPA. (Pass/No Credit, X, Y, and W grades, as well as courses with no grades are not computed in the GPA.) However, X grades that are not completed within the time limit set by the instructor are converted to the grade noted. Prior to Fall Quarter 1985, X grades assigned by the instructors will remain on the record with an X grade unless officially changed by the instructor.

GRADING SYSTEM

Eastern operates primarily on a quarter system with the exception of a few academic programs that operate on a semester schedule. The different terms will be differentiated on the term title bar.
