EXPERIENCE

Tumwater-community event host

september 2017 - present

Host events for the people of Tumwater to get together and use their problem solving skills and work together to solve puzzles in weekly events that require avid scheduling, intuition, and leadership skills.

Dairy Queen, Tumwater — Customer service

April 2022 - september 2022

Worked with customers, met demands, and improved on the spot decision making skills. I taught new coworkers the ropes as they were hired, and was called upon to train them as they needed for the jobs they would be working.

EDUCATION

South Puget Sound Community College — Associate of Arts

september 2019- November 2022

I graduated early because of the running start program, and went back after graduation to take education coursework. I graduated with honors and received a Vice President's List Certificate of Achievement for the education courses.

The Evergreen State College — Bachelor of Arts (Pending-Graduation estimated spring 2024)

December 2022- Present

Taking courses towards my goal of becoming a history teacher, and delving into the stories of people and cultures that are usually unable to tell their stories. My experience at Evergreen has vastly increased my passion for Education
