LETTER OF RECOMMENDATION FOR NJANG JONAS

I, Dr. Frida Agbor Besong, lecturer in the Faculty of Education, Department of Curriculum Studies and Teaching, University of Buea Cameroon, have known and taught Njang Jonas as an undergraduate student in the Faculty of Education since 2019-2020 academic year.

Throughout his undergraduate studies in the department of curriculum studies and teaching, I taught Jonas in many courses of the programme including: curriculum development, geography teaching methods, educational technology, civics and ethics, research methodology, environmental education and many other courses.

I found Jonas to be a hard-working student, ready to learn and take responsibility for his studies, He exhibited leadership skills and falls among the upper tier of his class.

I strongly recommend him for graduate studies in Evergreen College especially considering his interest in environmental education. Please do not hesitate to contact me in case of further clarifications.

Yours Sincerely,

Frida Agbor Besong, PhD.
