Hello Sheila,

My name is Cecilio Tamayo, I am a student at The Evergreen State College. I am currently in the Master's in Teaching program, and I was wondering if I could request your help. For the program I need to have completed hours with a

community organization, which the summit qualifies for. However, I need an event supervisor to verify that I completed my hours. I arrived at 7:30am to assist with set up, continued to my workshops as a translator, attended what seemed to be the arts hall for the speakers, and walked around talking with students until near 2pm, for a total of six and a half hours. I understand it's been a long time since then and would appreciate your help. If you are willing and able to help, please email Evergreen graduate admissions and CC program faculty, Holly Berchet-Hall, verifying that I was present and volunteering at the event. Here are their emails:

- graduateadmissions@evergreen.edu
- Holly.Berchet_Hall@evergreen.edu

Please let me know what you think, thank you!

Cecilio
