Tamayo Log F2022.HEIC;

Hi all. This email is to confirm from Nov. 21-22, 2022, Cecelio Huerta Tamayo completed 8 hours as a volunteer at Evergreen's Latinx Youth Summit (LYS) (as recorded in the attached field log). I served as co-chair of the Latinx Standing Committee (LSC) and faculty member of Cecilio's F2022 program, "Teaching English Language Learners Culture, Theory and Method (TELL)" who helped organize and oversaw his participation in the summit. The remaining volunteer hours on Cecilio's log were approved (and signed off) by his supervising F2022 TELL program teacher at Capital High School, Olympia, Benjamin Leirerer.

Let me know if you have any other questions.
Thank you!

Grace Huerta
