Re: Letter of Recommendation for **Cecilio H. Tamayo**

To the Committee, Greetings:

I got to know Cecilio well last year in the academic program “Community Mental Health and Art in Social Contexts.” Cecilio was an exceptionally engaged, energetic, thoughtful student. Cecilio's small groups worked overtime to produce exceptional collaborative projects. Cecilio also produced a highly competent, fascinating series of essays focused on concepts in critical psychology and creative expression offering directions on content and form for messages and practices around the fast-paced social changes affecting communities today.

Cecilio combines love of learning with a genuine concern for real people’s problems. He has a sense of curiosity, a commitment to learning, energy, and creativity. Cecilio's contributions to class discussions, written work, and research were all been notable for seriousness, consistency, and sensitivity to contemporary political and social issues.

Sincerely,

Andrew Buchman, Member of the Faculty
