Dear TESC Graduate admissions team:

It is my pleasure this morning to write a letter of recommendation for [Catherine Uhrich](#). Ms. Uhrich has been my paraprofessional teaching assistant for my morning STEM physics class this year. The class has 32 students 10+ of which have an Individual Education Plan and several others who need accommodations. Ms. Uhrich's assignment is to assist students who struggle to succeed and help them keep up with the material and submit assignments.

Ms. Uhrich's enthusiasm for working with students is unbounded. She regularly checks in on students and is unabashed when it comes to encouraging them and pushing them to succeed. Ms. Uhrich is a self-starter. She regularly assists in the management of the classroom without being asked.

Ms. Uhrich's compassion for students runs deep. She cares about kids and loves science. I believe that she will thrive in the high school environment as a teacher and I recommend her for your program whole-heartedly.

Educationally yours,

Gregory Burkhart (He/him/his)
