GENERAL INFORMATION

Washington State University is the land grant institution of the Evergreen State with the traditional responsibilities of teaching, research, and extension. The university was established by the first Washington State Legislature on March 28, 1890 and was chartered under the name Washington State Agricultural College and School of Science. In 1905, the name was changed to State College of Washington and in 1959 the name became Washington State University. The university includes eleven colleges and a graduate school. The university has statewide learning centers, the Global Campus, and campuses at Pullman, Everett, Spokane, Tri-Cities, and Vancouver. The university operates on the semester system.

Many departments and colleges are accredited by professional accrediting associations recognized by the Council on Postsecondary Accreditation.

TRANSCRIPT REQUESTS

Washington State University follows the policies and practices of the American Association of Collegiate Registrars and Admissions Officers with regard to the content and release of student records.

GRADE CORRECTIONS

Beginning fall 1992, Washington State University converted to an on-line transcript system. Prior to fall 1992, all grade corrections were made by lining through the original grade and recording the new grade in India ink. As a result the cumulative summary line was not retroactively updated, although the cumulative summary line was updated for the term the grade was submitted.

REPEATS

A grade of C- or below is disregarded if a student repeats the course and earns another grade. If the student repeats the course more than once, then the last grade received shall stand as the course grade; the last grade only shall count on the cumulative grade point average and contribute to the total number of hours required for graduation. (Prior to fall 1973, if the student repeated the course more than once, then the hours and grade points earned beyond the first enrollment counted in the cumulative grade point average.) Effective fall 1983, if a student repeats a course in which an incomplete grade was received, then the incomplete grade will be changed to F.

CORRESPONDENCE COURSES

Prior to fall 1996, courses taken by correspondence did not yield grade points. Prior to fall 1996, correspondence or extension work submitted for transfer credit yielded credit only if completed with grades of C or better. Beginning summer 2006, course delivery method is not noted.

CUMULATIVE CAREER INFORMATION

Effective fall 2012, each academic career is presented separately. Careers include undergraduate, graduate, and the professional careers of business, medicine, pharmacy, and veterinary medicine. The cumulative totals are listed by career following the final term for each career. Grade point averages are computed by dividing the points by the number of GPA units in the cumulative totals row.

COURSE NUMBERING SYSTEM

001 - 099 do not carry university credit
100 - 299 are lower-division courses
300 - 499 are upper-division courses
500 - 899 are for graduate students and professional students
900 - 999 are education abroad, consortium, and cooperative courses
Courses marked no degree credit do not carry grade points and are not calculated in totals.

EDUCATION ABROAD CREDIT

Starting fall 2003, courses and grades earned through the Education Abroad Program are listed in the semester as resident credit. A semester grade point average will not be calculated, nor will grades be included in the cumulative grade point average.

REQUIREMENTS FOR GRADUATION

A student who has completed any of the prescribed curricula may become a candidate for an undergraduate, professional, or graduate degree. Degree requirements are listed in the *WSU Catalog* and *Graduate Catalog*.
