

### ADDITIONAL NOTES

I've included the Unofficial as well as the Official transcripts for BYU Idaho, because Mica's in-progress work is not included on the official transcript and is on the Endorsement Worksheet.

Please note that those classes appear to not be over until July 23<sup>rd</sup>. I checked BYU's academic calendar, and the Second Block of Spring semester ends on July 23<sup>rd</sup>, with graduation on July 24<sup>th</sup>.

I reached out to Mica on April 14<sup>th</sup> but have had no response yet. She must graduate before our summer quarter starts, or she cannot attend.
