Admission Policy

It is recommended that you arrive at the test center 15 minutes before your scheduled appointment time. This will give you adequate time to complete the necessary sign-in procedures. Please be prepared to show proper identification: one piece of current, government-issued identification printed in English, in the name in which you registered, bearing your photograph and signature. Copies will not be accepted. Acceptable forms of government-issued identification include photo-bearing driver licenses and passports. The Department of Motor Vehicles provides acceptable photo-bearing identification cards for individuals who do not have a driver's license. If the name on your identification differs from the name in which you registered, you must bring official verification of the change (e.g., marriage certificate, court order).

If testing outside of the United States, you must present an unexpired Passport as your government issued identification.
