Admission Policy

It is recommended that you arrive at the test center 15 minutes before your scheduled appointment time. This will give you adequate time to complete the necessary sign-in procedures. Please be prepared to show proper identification: one piece of current, government-issued identification printed in English, in the name in which you registered, bearing your photograph and signature. Copies will not be accepted. Acceptable forms of government-issued identification include photo-bearing driver licenses and passports. The Department of Motor Vehicles provides acceptable photo-bearing identification cards for individuals who do not have a driver's license. If the name on your identification differs from the name in which you registered, you must bring official verification of the change (e.g., marriage certificate, court order).

If testing outside of the United States, you must present an unexpired Passport as your government issued identification.

Please be advised that prior to testing you will be photographed and a palm scan may be taken at the test center. During testing you may be monitored by video and audio recording.

If you arrive more than 15 minutes late for your exam appointment and are refused admission, you will not receive a refund.

You will not be allowed to take any personal items with you into the testing room. This includes but is not limited to all bags, books, notes, cell phones, pagers, watches, and wallets.

Where selected by your Test Sponsor, you agree that Pearson VUE will collect your palm vein pattern at the test center on the day of your exam and retain that information, to the extent permitted by law. Your palm vein scan will be used for the purposes of identification verification on the day of your test and on your future test days, detecting and preventing any fraud, and maintaining the security and integrity of the testing program. For more information on Pearson VUE's policy for use and retention of personal data including biometric data like palm vein scans, please see our Privacy and Cookies Policy. Your agreement to these Testing policies includes agreement to the Privacy and Cookies Policy.

For additional information regarding the Aadhaar ID, please visit Aadhaar ID Policy for Pearson VUE.

If you need to reschedule your test appointment by telephone, you must call the Pearson VUE Accommodations Department at least one business day (24 hours) before your scheduled testing time.
