IN ACCORDANCE WITH THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT, THIS TRANSCRIPT IS ISSUED ON THE CONDITION THAT IT IS NOT TO BE RELEASED TO A THIRD PARTY WITHOUT THE STUDENT'S WRITTEN PERMISSION.

The University of Puget Sound was founded in 1888. It was known as the College of Puget Sound from 1913 to 1960, when it again became the University of Puget Sound. The University is fully accredited by the Northwest Commission on Colleges and Universities, an institutional accrediting body recognized by the United States Department of Education and by the Council for Higher Education Accreditation.

CREDIT VALUE

Prior to Fall 1969, the University of Puget Sound operated on a semester calendar and granted credit in semester hours. From Fall 1969 through Spring 1984, the University operated on a 4-1-4 calendar and granted credit in units, with one unit as the equivalent of 3 1/3 semester credits or 5 quarter credits. Beginning Summer 1984, the University returned to a semester calendar, granting credit in units, with one unit as the equivalent of 4 semester credits or 6 quarter credits.

DEGREE REQUIREMENTS

Prior to Fall 1969, 125 semester credits were required for graduation. From Fall 1969 to Fall 1971, 35 units plus 4 PE activities were required for graduation. From Fall 1971 to Spring 1984, 36 units were required for graduation, with a maximum of 2 activity units allowed within the 36. Beginning Summer 1984, 32 units are required for graduation, with a maximum of 1.5 activity units allowed within the 32. Beginning Fall 1984, activity overload grades are excluded from the grade point average. To help track degree progress of students enrolled under both the 4-1-4 calendar (36-units degree) and semester calendar (32-unit degree), units earned prior to Summer 1984 were converted by a factor of 8/9. (The conversion factor derives from the change in units required from 36 to 32. Note that 32/36=8/9.) This conversion notation on the transcript is solely for the purpose of internal University degree-tracking. For purpose of transfer, unit equivalencies described above in Credit Value apply. Beginning in Fall 2011, 32 units are required for graduation, with a maximum of 2 activity units allowed within the 32.

END-OF-TERM TOTALS

Totals computed at the end of each academic term's work prior to Fall 1979 were (reading from left to right): (1) cumulative grade point average, (2) cumulative units earned, (3) term grade point average, and (4) term units earned. Beginning Fall 1979, term (top line) and cumulative (bottom line) totals are: (1) grade point average, (2) units earned, (3) grade points, and (4) graded units. Beginning Fall 1985, term (top line) and cumulative (bottom line) totals are: (1) graded units, (2) units earned, (3) grade points, and (4) grade point average.
