To whom it may concern:

I am writing this letter of recommendation in support of Kaylee "Nicole" Mueller-Chapin for a spot in your Masters in Teaching program. Nicole has spent time working with students in my classroom and in various settings in our school and has demonstrated a great level of skill and knowledge in the teaching profession and I am confident that she will be a great asset in any role she pursues.

Specifically, Nicole is knowledgeable in student need, instructional best practices, and has demonstrated a great level of flexibility, attention to student need, understanding the importance of building relationships with students, differentiation of instruction, and in being a positive and professional communicator in her collaboration. Nicole is an incredibly fast learner, compassionate educator, and extremely detail oriented.

Nicole will thrive in her future teaching career and would be an excellent choice for admittance into the MIT program. Please reach out to me with any questions, I am more than happy to speak with you further about Nicole and why I recommend her for this program, and any future roles she pursues.

Thank you,

Jennifer Rumbaugh
