To Whom It May Concern:

It is my pleasure to write a letter of recommendation for Meghan Ochoa for the Master's in Teaching program at The Evergreen State College. I have had the opportunity to work with Meghan at Reeves Middle School as a paraeducator in my 6th grade science classroom.

Meghan has excelled as a paraeducator for several years at Reeves in various are of the school, building strong professional relationships with students and colleagues. She is a team player taking on several roles beyond the classroom, including being an integral role in the nurse's office. Most importantly she has earned the trust of both colleagues and students which, in turn, provides a safe environment for students to learn and thrive.

It has been my pleasure to work with Meghan at Reeves Middle School and recommend her for this opportunity.

Sincerely,

Brian Stave Reeves Middle School 6th Grade Science Teacher Olympia, WA
