EXPERIENCE

The Freedom Farm, Olympia — Paraeducator

October 2023 - Present

Working at the Freedom Farm Alternative School, I have taken on many responsibilities. I have worked one-on-one with students to help them grasp concepts or find motivation, led breakout discussion groups, advised staff on program direction during meetings, and more, all while maintaining a lens of equity and pedagogical justice.

Cellular Sales - Verizon, Tumwater — Sales Representative

October 2022 - Present

At the Verizon store in Tumwater, I was tasked with turning tech support and routine phone issues into upgrades or new lines, as well as assisting with customer needs and customer relations.

Fred Meyer, Tumwater — Parcel/Electronics Closer

July 2021 - October 2022

I was the main store closer for the Electronics Section of Fred Meyer. I was responsible for processing transactions and photo orders, assisting customers with questions about electronics, and closing the registers and the rest of the section at the end of the night.

EDUCATION

Southern New Hampshire University — Currently Enrolled

September 2022 - Present

I am currently pursuing a BA in Communication at Southern New Hampshire University, and have only a few months remaining. I have moved to entirely online and asynchronous classes to be able to work simultaneously.

communication, working
with advanced systems.

Additional Information

I am flexible for hours and
days, as I will be completing

University of Tacoma Washington — 2-Year Graduate

September 2021 - September 2022

my SNHU classes online and
asynchronously.

South Puget Sound Community College — 2-Year Graduate

*I graduated High School in the Running Start program, meaning that I took 2
years of college instead of my Junior and Senior year of High School. I used those
two years to transfer directly to being a Junior at UW Tacoma.*

Black Hills High School — 2021 Graduate
