**CALENDAR and CREDIT**

SNHU has multiple term structures, including traditional semesters and accelerated formats. The unit of credit at Southern New Hampshire University is the semester hour.

**COURSE LEVELS AND NUMBERS**

Undergraduate level courses are numbered from 001-499. Lower division courses in the 100 and 200 levels are typically taken in the freshman and sophomore years; upper division courses in the 300 and 400 levels are typically taken in the junior and senior years. Graduate level courses are numbered from 500-799. Doctoral courses are numbered at the 800-plus level.

**COURSE TYPE INDICATORS**

- “BMB” as the course code denotes courses taken through SNHU’s partnership with Berklee College of Music.
- “PD” as the prefix of a course code denotes Professional Development courses.
- “C” or “NC” after the course number denotes ‘certified’ or ‘non-certified’ program tracks respectively.
- “CO” after the course number denotes colloquium courses.

- “L” after the course number denotes lab courses.
- “ST” within in the course number denotes special topics courses.
- “NHCUC” acronym in the course title denotes courses taken through the New Hampshire College and University Council.
- “OCICU” acronym in the course title denotes courses taken through the Online Consortium of Independent Colleges and Universities.

**GRADING SYSTEM****Grade Point Average (GPA):**

**INSTITUTIONAL NAME CHANGE**

On July 1, 2001, New Hampshire College became Southern New Hampshire University.

**PROGRAM INFORMATION**

Program(s), major(s), concentration(s), and minor(s) at an academic level are recorded at the top right of the transcript. Programs are listed starting with the active/most recent program showing GPA Credits, Cumulative GPA, and Degree Credits followed by conferred degree(s) with associated conferral dates and partnerships if applicable.

**TRANSCRIPT FORMAT**

On July 1, 2024 SNHU updated the format of official transcripts, changing orientation to portrait and grouping academic history by type rather than chronologically, including External Credit, Non-Traditional SNHU Learning Experiences, Mastered Course Credit, Traditional SNHU Credit, and notations such as Dean’s List/President’s List, Study Abroad, etc. Additional information is housed in the Expanded Transcript Key.

**Academic Renewal Grades:**

Grades preceded by “R” (i.e. RC, RF) denote academic renewal and are excluded from the GPA calculation.

**Incomplete “I” / Incomplete Fail “IF” Grades:**

Incomplete grades are awarded when a student has been granted an exception to submit work beyond the end of the term. An Incomplete “I” grade automatically becomes an Incomplete Fail “IF” grade if work has not been completed and a grade has not been submitted prior to the pre-determined expiration date.

**In Progress Passing “IP” Grades:**

“IP” grades are issued for some internships, practicums, and courses that span more than one academic term. The “IP” grade indicates the student is passing as of term end. Unresolved “IP” grades will automatically become a failing “F” grade.

**Mastery “MA” Grades:**

“MA” grades are issued for competency-based programs once individual competencies are mastered. “MA” is equivalent to a grade of “A-” or better on a traditional grade scale however there are no quality points associated with “MA” grades, therefore there is no GPA for students in competency-based programs.

**Pass “P” and Satisfactory “S” Grades:**

Pass “P” and Satisfactory “S” grades are defined as a “C” or better at the undergraduate level and a “B” or better at the graduate level. P/F grades were allowed for spring 2020 courses in response to COVID19.

**Repeated Course “E”:**

A student may repeat a course for credit. The last grade, whether it is higher than, the same as, or lower than the first grade is included in the cumulative GPA. The prior grade is excluded; this applies to instances where both grades are passing. An “E” appears next to the repeated course that no longer factors into the GPA.

**Revocation Grade (SDR)**

SDR grades are issued when grades are revoked as a result of fraud, misrepresentation or other egregious actions.

**Satisfactory “S”/Unsatisfactory “U” Grades:**

An “S/U” option is available in some courses to students in lieu of letters. A satisfactory grade may be applied toward fulfilling degree credits, but will not be applied toward the quality point average.

**Unearned Fail “UF” Grades:**

A “UF” grade replaces a final grade of “F” in each course for any student who ceased participation in graded activities for all courses prior to 60% of the term.
