Graduate Admissions

Dear Admissions Committee,

I am thrilled to recommend Nizhoni Tallman for admission to the graduate program at Evergreen State College. As an All-American wrestler last year, Nizhoni has consistently showcased not only her remarkable athletic abilities but also her outstanding character and commitment to her community.

Nizhoni is an incredibly hard worker who embodies responsibility and accountability in all her endeavors. Her dedication to wrestling is evident in her rigorous training regimen, and she approaches every challenge with a positive attitude and a strong work ethic. Her accomplishments on the mat speak volumes about her determination and perseverance.

At our wrestling camp, Nizhoni has gone above and beyond to support younger athletes, taking the time to mentor and guide them. She demonstrates a nurturing spirit and a genuine concern for others, creating an inclusive and encouraging environment. Her ability to connect with her teammates and foster camaraderie is truly admirable.

Nizhoni's background as a Native American athlete aligns seamlessly with Evergreen's mission to promote diversity and strengthen Native American culture within our community. She is passionate about advocating for cultural representation and inclusivity, and I believe her presence in the graduate program would contribute significantly to this important initiative.

In summary, Nizhoni Tallman is an exceptional candidate for your graduate program. Her hard work, leadership, and commitment to building a supportive community make her a perfect fit for Evergreen State College. I am confident that she will thrive academically and positively impact her peers and the college as a whole.

Thank you for considering Nizhoni's application. Please feel free to reach out if you have any questions or need further information.

Sincerely,

Fan Zhang
