Dear Evergreen Master's of Teaching Admissions:

It gives me great pleasure to recommend Nizhoni Talman-Olney for the Masters in Teaching program at The Evergreen State College. I was Nizhoni's teacher in middle school and coached her in middle and school wrestling. I also had the opportunity to work with her while she was in high school and volunteered for a week of outdoor school to work with 5th graders. And presently while on winter and summer break when she is home from college she volunteers in the wrestling room to help young athletes.

Nizhoni is a hard working student athlete. She is always putting in extra time whether it's for her sports or the classroom. She didn't miss school or practice. She is passionate in what she does. She is very competitive and strives her best to finish on top.

Nizhoni served as a high school camp counselor for our 5th grade outdoor educational school at Camp Cispus. There she built strong relationships with the students that she continues to mentor to this day. She was able to quickly solve problems when they came up. She is also a natural at conflict resolution and quickly got students to get along. She was able to anticipate problems and completed task quicking when asked. Student athletes also enjoy her knowledge and energy when helping in the wrestling room.

Please feel free to contact me if you have any questions.(509)-985-6256

Sincerely,

Sam Nishi
