To Whom It May Concern,

I am pleased to write this letter in support of **Gavin Wheeler** as he pursues further opportunities in the field of education. Gavin has been a dedicated paraeducator at Jefferson Middle School for the past 18 months, consistently demonstrating a strong commitment to student success.

Gavin's positive leadership has made a meaningful impact on both academics and behavior support. He possesses excellent de-escalation strategies, maintains professional boundaries, and interacts with students in a way that fosters trust and growth. His ability to create a supportive learning environment has earned him the respect of both students and staff.

I fully support Gavin's pursuit of an education teaching program and believe he will be an asset to the profession.

Please feel free to contact me if you require any further information at 360-266-7916 or jallaire@osd.wednet.edu

Sincerely,

Jane Allaire, Principal
