To Whom it May Concern,

I am providing this letter in support of Dr. Jeremy Whitaker. He is a strong and knowledgeable theory educator. He has taught several courses over his years at our college. He also lectured in my United States Healthcare course and always had applicable and current topics to discuss with the students. He volunteered in several activities at the college such as the Food Bank, Blood Drives, and Community clean up. He was on the board of the public health association for six years, with two years as president. He also chaired the Iowa Governor's Conference on Public Health in 2019-2020.

I would recommend Dr. Whitaker for this position without reservation. I considered him an asset to our college. He always assisted faculty and team members outside his duties and was always willing to lend a hand.

Sincerely,

Erin Peters EdD, MSN, RN
