

It's my pleasure to recommend Noe (Molly) Yoder for the Master's in Teaching program at Evergreen State College.

As the Director at the Northwest Museum of Arts and Culture (MAC) in Spokane, I have thoroughly enjoyed my almost 2 years working with Noe and have come to know her as a truly valuable asset to my youth education team. She is always prepared, dependable, and incredibly vested in her students' success.

Noe's knowledge of the MAC's collection and expertise in storytelling was a huge benefit to our education department. She put this skillset to work to lead numerous youth and family programs and advise on all educational art-related museum projects.

Along with her undeniable talent for connecting with students, Noe has always been resolute in her dedication to the art museum. Noe is a true professional, and always manages to foster positive discussions and bring the best out of colleagues and museum audience.

Without a doubt, I confidently recommend Noe to join your instructional program at Evergreen. As a dedicated and knowledgeable employee and an all-around enthusiastic colleague, I know that she will be a beneficial addition to your program.

Please feel free to contact me at the number below should you like to discuss Noe's qualifications and experience further. I'd be happy to expand on my recommendation.

Best wishes,
