Dear Sean,

In the midst of a global pandemic and during ongoing responses to the legacies of racism and oppression in our country, you have submitted an application and participated in the Interview Days for the Master in Teaching (MiT) at the Evergreen State College. We honor your decision to become a teacher in these times.

We had a really strong applicant pool. Unfortunately, after careful review of your materials, we will not be able to admit you to the 2022-23 MiT cohort.

We encourage you to continue building on your educative experiences if you want to continue to pursue teaching, and perhaps apply again next year.

If you would like to set up a meeting to discuss your application, please get in touch with Luis Apolaya Torres, Assistant Director of the MiT Program, by emailing [luis.apolaya\\_torres@evergreen.edu](mailto:luis.apolaya_torres@evergreen.edu).

Best wishes to you for all your future endeavors.

Sincerely,
