Repeat Policy

Prior to Spring 1971, all repeated courses were included in the computation of the grade point average. As of Spring 1971, the original grade of the repeated course is excluded from the grade point average provided that all the subsequent attempts have the same grading system as the original attempt (e.g., the grading system did not change from letter grade system (A,A-,) to satisfactory/ fail system (S,F) during the course of the attempts).

Academic Renewal Policy

Academic renewal is defined as one semester of UNLV course work disregarded in all calculations regarding academic standing, grade point average, and eligibility for graduation at UNLV. Students granted academic renewal may not graduate with academic distinctions. Disregarded grades may be calculated in scholarship awards or financial aid consideration.
