CREDIT INFORMATION

The unit of credit used is the semester hour.

CALENDAR

UAGC offers online course delivery that consists of accelerated courses. There is an annual two-week winter break when courses are not scheduled. Generally, undergraduate programs have 5-week terms, graduate programs have 6-week terms, and doctoral programs have both 6 and 9 week terms. Previous Clinton Campus courses (taken before summer 2016) were offered in traditional 16-week semesters in fall and spring.

TRANSFER CREDIT

Transfer credit applicable to the student's degree program is noted on the transcript. Grades are not transferred in, and transfer credit hours are not included in the computations of the institutional grade point average. Transfer credits are considered attempted and earned for completion rate calculations.

ACADEMIC STANDING

Undergraduate students must maintain a minimum cumulative grade point average (CGPA) of 2.00 to remain in good academic standing. Graduate students must maintain a 3.00 CGPA. All students must also successfully complete 67% of all attempted credits to remain in good academic standing.

RELEASE INFORMATION

The information contained on a student transcript is confidential and may not be released to any other party without the written consent of the student.

OTHER INFORMATION

Courses taken as Pass/No Pass or Pass/Fail are not used in computation of the grade point average. Prior to fall 1993, an "R" designated a course was repeated and the first grade was removed from the transcript. Beginning in fall 1993, the original grade remains on the transcript with a designation of "R" beside it. The "R" designation was discontinued in the beginning of fall 1998. After fall 1998, a repeated course is designated by zero (0) credits and ** shown on the transcript for initial enrollment in the course. The most recent grade earned in a course is used in computing the cumulative grade point average. Select courses may be repeated for credit.
