END OF TRANSCRIPT

Accreditation and Affiliation: Arizona State University academic programs are fully accredited by the Higher Learning Commission. Programs in the various colleges, schools, and departments are accredited by or affiliated with national bodies.

Third Party Restrictions: Information contained on this transcript is for the intended purpose only and is not to be used for any other purpose or released to any other person or organization without the written consent of the student whose name appears on this transcript. If you are unable to comply, in accordance with the federal Family Education Rights and Privacy Act of 1974, you are required to return this record immediately to:

University Registrar Services
Arizona State University
PO Box 870312
Tempe, AZ 85287-0312

Grade Point Average: Grade points earned for a course are multiplied by the number of semester hours to produce honor points. For example, receiving an "A," which is assigned four grade points, in a three-semester-hour course would produce 12 honor points. The grade point average (GPA) is obtained by dividing the total honor points by the total number of semester hours graded A+, A, A-, B+, B, B-, C+, C, D, E, EN, EU, or XE. Other grades do not carry grade points. Semester GPA is based on semester net hours. Cumulative GPA is based on total net hours. Note: Although the plus/minus scale includes a grade of A+ with a value of 4.33, the cumulative GPA is capped at 4.00, except for Law students. Questions about the grade scales may be referred to University Registrar Services at (480) 965-3124.

Repeating Courses: An undergraduate course taken at ASU may be repeated for credit if the grade of X, D, E, EN, EU, XE or W was received. Undergraduate courses in which grades of D, E, EN, EU, or XE are received may be repeated once. Prior to Fall 2007 grades marked with @ are included in the computation of the cumulative GPA. For additional policy information on undergraduate classes being repeated for credit, see <http://students.asu.edu/grades>
