DePaul University Transcript Legend

Updated June 2016

Graduate and Undergraduate Grades

Graduate and Undergraduate course credit is awarded in quarter hours. Grades are assigned in accordance with the following definitions. A plus represents slightly higher achievement and a minus represents slightly lower achievement than the letter grade. For undergraduate students, the addition of a # indicates an original attempt of a course which has been repeated; therefore the grade is removed from the term and cumulative grade point average.

A	Accomplishment of the stated course objectives in an EXCELLENT manner.
B	Accomplishment of the stated course objectives in a VERY GOOD manner.
C	Accomplishment of the stated course objectives in a SATISFACTORY manner.
D	Accomplishment of the stated course objectives in a POOR manner.
F	Failure to accomplish the stated course objectives.
IN	Temporary grade indicating satisfactory record for work completed when unique or unforeseeable circumstances prevent the student from completing the course requirements within the term. Incomplete grades lapse to "F" if not completed in the time specified by university policy, or sooner if specified by the instructor.
ING	Permanent grade assigned when a degree recipient chooses not to resolve a grade of "IN" awarded during the last two terms prior to graduation. The grade of "ING" (Incomplete, Graduated) is final, and cannot be changed nor lapsed to "F" once the degree is posted.
PA	Passing achievement. (Grades "A" through "D" represent passing performance).
W	Withdrawal from course.
WA	Administrative withdrawal.
FX	Failure due to non-attendance.
R	Satisfactory progress in a course that is designed to extend beyond the traditional length of the term. Grades of "R" earned by students will lapse to "F" if not completed within one year or sooner if specified by the instructor.
RG	Permanent grade assigned when a degree recipient chooses not to resolve a grade of "R" awarded during the last year prior to graduation. The grade of "RG" (Research, Graduated) is final, and cannot be changed or lapsed to "F" once the degree is posted.
M	Final grade not submitted by instructor.
AU	Auditor status, not for credit.
