SPECIAL SYMBOLS AND NOTATIONS:

A grade followed by an I indicates an incomplete was initially awarded but a final grade has been received. Beginning Winter 2025, undergraduate Incomplete notations are removed from the transcript when a final grade is recorded. Prior to winter 1983, /R indicates course was repeated, only the last grade counts in grade point average (GPA), and credit is allowed once.

Effective winter 1983 through summer 1985, /DR for a repeated course indicates that the first grade was less than a 2.0, both grades count in GPA, but credit is allowed only once. /R indicates that the first grade was 2.0 or greater, the second grade does not count in GPA, and credit is not allowed. Effective autumn 1985, /DR for a repeated course indicates both grades count in GPA, but credit is allowed only once. X/R indicates an undergraduate has repeated a course not eligible to be repeated for grade or credit. Effective winter 2005, /R indicates that a course is repeated, grades for both courses are calculated in the GPA, grades for courses repeated more than once are not included in GPA, credit is allowed only once. Beginning autumn 1987, /R designates a foreign language course taken in high school and used as the language of admission, credit is not allowed, and the grade is not included in GPA. Courses designated with /D indicate the grade counts in GPA, but credit is not allowed toward degree requirements.
