Permission to Share Contact Information among MIT 2016 – 2018 Cohort

MIT faculty and staff will be communicating regularly using a group email list incorporating your email and the emails of all your MIT classmates. The MIT Program has also found it helpful to have students in the same cohort be able to access one another's phone numbers for coordination of observations, sharing of questions and information, etc.

- a) fill in your name
- b) check one of the following options
- c) sign and date

I _____ (print name)

____ do give my permission to share my contact information with the MIT 2018 cohort.

____ do give my permission to share my contact information with the MIT 2018 cohort with the exception of_____.

____ do not give my permission to share my contact information with the MIT 2018 cohort.

Signature:_____ Date: _____
