

Looking for a meaningful career? Consider this....

We are seeking compassionate, critical thinkers who reflect our culturally diverse Washington communities to join us in Tacoma to support the learning of K-12 students.

Let us help you plan ahead for entering The Evergreen State College
Master in Teaching Program – Tacoma Campus Cohort starting Fall Quarter, 2012

- Excellent two-year program leading to initial teaching certificate and master's degree.
- Prepares teachers for elementary, middle school or high school teaching
- Evening/weekend schedule and two full quarters of student teaching.
- We welcome students with all subject area backgrounds who are committed to creating respectful, engaging multi-cultural classrooms and especially invite students with interests in teaching math, science or children with special needs or limited English proficiency.
- If you are ready sooner, consider our Olympia-based, daytime schedule cohort beginning in either 2010 or 2011
