

Master in Teaching Certification & Advising Services

Permission to Share Contact Information among MIT 2015-2017 Cohort

MIT faculty and staff will be communicating regularly using a group email list incorporating your email and the emails of all your MIT classmates. The MIT Program has also found it helpful to have students in the same cohort be able to access one another's phone numbers for coordination of observations, sharing of questions and information, etc.

- a) fill in your name
- b) check one of the following options
- c) sign and date

I _____ (print name)

_____ do give my permission to share my contact information with the MIT 2017 cohort.
