Dear Jesika,

Congratulations! I am pleased to inform you, upon recommendation by the Graduate Program on the Environment Admissions Committee, that you have been accepted into the Fall 2019 cohort for the Master of Environmental Studies (MES) degree at The Evergreen State College. I hope you are able to join us!

Important notifications from the college and MES will be sent to your Evergreen email address periodically, so be sure to set it up immediately and check it regularly. Directions are enclosed. Starting now, we will send out paid internships, jobs, and other opportunities for MES students to your Evergreen email address. Please also keep your mailing address updated by contacting Graduate Admissions: graduateadmissions@evergreen.edu or 360-867-6856.

As a new MES student, you are required to enroll in the first MES core class: graduate Conceptualizing our Regional Environment, or gCORE. All core courses are on Tuesdays and Thursdays, 6-10pm. If you intend to finish in two years, you should also take an elective course along with gCORE. To see more information on our courses, including faculty contact information, please review the MES online catalog at evergreen.edu/catalog/grad/mes.

Fall registration instructions will be shared by email from the MES office. If you have any questions about this process, please reach out to MES Assistant Director Andrea Martin at martina@evergreen.edu.

This year, the Fall quarter starts September 30, 2019. We will hold a mandatory orientation on Monday, September 23, 2019. All new students are required to participate. The schedule and details for Orientation are enclosed. Please reach out with any questions.

Loan awards, tuition waivers, and Evergreen Need Grants (residents only) will be sent to you by the Financial Aid office and will come later. If you did not apply for aid or did not fill out your FAFSA, you will still be eligible for loans by filling out your FAFSA at any time. Go to fafsa.ed.gov to apply.

If you wish to accept this offer of admission, please promptly inform Andrea Martin, the MES Assistant Director, by emailing martina@evergreen.edu. Enclosed are directions to pay your tuition deposit. This non-refundable \$100.00 deposit reserves your space in the program. In order to hold your space **the college must receive payment by Monday, September 16, 2019**. If you cannot accept this offer of admission, please notify us in writing as soon as possible. **Please note, you will not be able to register for fall courses until your tuition deposit has been received.**

We are excited to meet you and share more about the program. We select the incoming cohort of students with considerable care. We hope this opportunity to participate in our program will be meaningful to you. You will be part of a diverse, capable, and dedicated group of people. Please contact me or Andrea Martin if you have any further questions. The MES faculty and staff look forward to having you join us in September.

Sincerely,
