**NEW STUDENT ID: A00428406**

Dear Emily,

Thank you for your application for admission to the 2020 cohort of The Evergreen State College's Master of Environmental Studies Program.

At this time, you have been placed on the MES admissions waitlist. We encourage you to maintain your candidacy. We are hopeful we will be able to offer you admission after currently admitted students make their commitment decisions.

We hope to make final admission decisions in a timely manner but please be aware that we currently expect to keep the Fall 2020 waitlist open until August 31<sup>st</sup>, 2020, to accommodate any last minute changes in the cohort. If at any time you decide you are no longer interested in holding this waitlist position, please email Assistant Director, Averi Azar at [averi.a.azar@evergreen.edu](mailto:averi.a.azar@evergreen.edu).

We recommend reserving the Fall 2020 MES Orientation date: **Monday, September 21, 2020 from 9 am - 5 pm**. All newly admitted students are required to attend.

If we are able to offer you admission to MES, you would be considered a regular admit as you clearly meet all prerequisites for our program.

If you have any questions, please contact me at [witheyj@evergreen.edu](mailto:witheyj@evergreen.edu).

Once again, thank you for applying to Evergreen's MES program!

Sincerely,

John Withey, Ph.D.
