Dear Zachery,

I regret to inform you that the Graduate Program on the Environment Admissions Committee is unable to offer you admission to the Fall 2017 cohort of the Master of Environmental Studies degree. Should you be interested in applying again next year, you do not have to resubmit transcripts (unless you have new coursework) or GRE scores (unless they expire or you want to improve your scores). Letters of recommendation also do not have to be resubmitted.

However, if you decide to apply again next year, we highly recommend that you consider submitting a new statement of purpose and resume and/or new letters of recommendation to reflect your growth over the year. If you would like to apply again and have specific questions about how to improve your application, please consult me or the assistant director.

We appreciate your interest in the program and wish you the best of luck in your future ventures.

Sincerely,

Kevin Francis, Ph.D.
Director, Graduate Program on the Environment
