

September 11, 2015

Gabriel Marks
105 Sherman St NW
Olympia WA 98502

Dear Gabriel,

A# A00374924

Congratulations! It is my pleasure to inform you that you have been selected as the recipient of the 2015-2017 Sara Ann Bilezikian Fellowship by the Graduate Program on the Environment at The Evergreen State College. The award is worth \$7,499 each year (2015-2016 & 2016-2017). The award will be credited to your student account in three installments each equal to a third of this amount for Fall, Winter and Spring Quarters 2015-2016 and 2016-2017 as long as you are enrolled as an MES student. Note that it is possible that the value of this award may increase in 2016-2017, but will at least be \$7,499.

This award reflects the judgment of the selection committee that you have demonstrated an exceptionally strong commitment to environmental improvement and social justice. Sara Ann Bilezikian, who graduated from Evergreen in 2001, had similar interests, and we feel confident that your passions and academic achievement in this area will be a suitable way to honor Sara's memory.

In addition to this award, be sure to check your financial aid offer from the Financial Aid office – you may also have received a loan offer and/or Evergreen Need Grant (residents only) if you submitted your FAFSA. If you didn't fill out the [FAFSA](#), you can do so at any time to receive \$20,500+ in loans. Also, don't forget to look for [jobs](#) or [internships](#), as well as [outside scholarships](#).

Please note that adjustments to your aid are likely to occur if there are changes to your status, such as changes to enrollment status, number of credit hours, residency status, etc. In addition, increased personal resources may result in decreases to other financial aid awards including possible repayment for financial aid you have already received, including loan proceeds.

In order to accept this award, please email Gail Wootan at wootang@evergreen.edu indicating your acceptance by September 18, 2015.

If you have any questions about this award, please contact the MES office at 360-867-6225.

If you have any questions about loans or the Evergreen Need Grant, please contact Financial Aid at 360-867-6205.

Sincerely,

Kevin Francis, Ph.D.
Director, Graduate Program on the Environment
