Congratulations! Based on the information in your FAFSA, it is my pleasure to inform you that you have been selected to receive a tuition waiver from the Graduate Program on the Environment at The Evergreen State College in the amount \$5439.

This waiver is a one-time partial waiver of your tuition for the 2016-2017 academic year. The waiver will be credited to your student account in three installments each equal to a third of this amount for Fall, Winter and Spring Quarters as long as you meet MES financial aid criteria as described below.

- In order to be eligible to receive these funds, MES students must register for a minimum of four credits per quarter.
- Failure to enroll for at least four credits by the fifth day of each quarter listed above will result in forfeiture of the waiver.
- Your award cannot exceed the cost of tuition. If it does exceed tuition, you will NOT receive the difference in cash.

In addition to this award, be sure to check your financial aid offer from the Financial Aid office – you may also have received a loan offer if you submitted your FAFSA.

Please note that adjustments to your aid are likely to occur if there are changes to your status, such as changes to enrollment status, number of credit hours, residency status, etc. In addition, increased personal resources may result in decreases to other financial aid awards including possible repayment for financial aid you have already received, including loan proceeds.
