Dear Jesse,

A# A00349869

Congratulations! Based on your admission application, it is my pleasure to inform you that you have been selected to receive a Foundation Graduate Fellowship Scholarship from the Graduate Program on the Environment at The Evergreen State College

This award is a non-renewable scholarship of \$4325 for the 2017-18 academic year. The amount will be credited to your student account in three installments equal to a third of this amount for Fall, Winter and Spring Quarters as long as you are registered for at least eight MES credits per quarter.

In addition to this award, be sure to check your financial aid offer from the Financial Aid office – you may also have received a loan offer or Evergreen Need Grant (residents only) if you submitted your FAFSA. If you didn't fill out the FAFSA, you can do so at any time to receive \$20,500+ in loans.

Please note that adjustments to your aid are likely to occur if there are changes to your status, such as changes to enrollment status, number of credit hours, residency status, etc. In addition, increased personal resources may result in decreases to other financial aid awards including possible repayment for financial aid you have already received, including loan proceeds.

In order to accept this award, please email Andrea Martin at [martina@evergreen.edu](mailto:martina@evergreen.edu) indicating your acceptance by August 25, 2017. Also, if you haven't done so already, please remember to pay your tuition deposit by this date.

If you have any questions about this award, please contact the MES office at 360-867-6225.

If you have any questions about loans, please contact Financial Aid at 360-867-6205.

Sincerely,

Kevin Francis, Ph.D.
